

INVESTING IN KC

WATER MAIN REPLACEMENT

In the Area of Blue Ridge Cutoff to West Ridge Road and E. 38th Terrace to E. 47th Street

This project includes the replacement of approximately 6,831 feet of 6-inch, 8-inch, 10-inch, and 12-inch aging, break-prone cast-iron pipe water mains with more durable ductile-iron pipe.

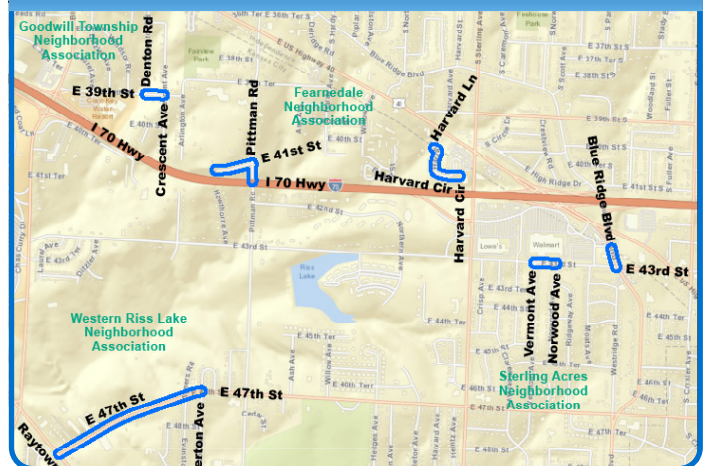

PUBLIC MEETING

What: Water Main Replacement

When: Thursday, October 22, 2020
6:00 p.m.

PROJECT AREA

— Project Work

November 2020 to July 2021

YOUR INVESTMENTS AT WORK

WATER MAIN REPLACEMENT

In the Area of Blue Ridge Cutoff to West Ridge Road and E. 38th Terrace to E. 47th Street

WHO

- KC Water in partnership with Haines & Associates Construction Company Inc.

WHAT

- Important infrastructure work will be performed in your neighborhood.
- Water mains will be replaced and realigned throughout the project.
- Indoor water meters will be replaced and relocated outside homes.

WHERE

- E. 39th Street from Denton Road to Crescent Avenue.
- E. 41st Street from Pittman Road to west of Pittman Road toward a dead-end.
- Pittman Road from E. 41st Street south past E. 42nd Street.
- Harvard Circle from Harvard Lane to West Harvard Circle.
- E. 43rd Street from Vermont Avenue to Norwood Avenue.
- Blue Ridge Boulevard from E. 43rd Street north past 4240 Blue Ridge Blvd.
- E. 47th Street from Raytown Road to Overton Avenue.

WHEN

- Weather permitting, work will begin in November 2020 and conclude approximately July 2021.

WHY

- KC Water is undertaking this project to improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

IMPROVEMENTS

- Fewer anticipated water main breaks
- Increased reliability
- Fewer service disruptions
- Enhanced neighborhood fire protection

WHAT TO EXPECT

- Large equipment will be used, creating noise and dusty conditions, which will be controlled.
- Water and service will be interrupted for short periods of time. You will be notified beforehand with door hangers or by other means.
- Affected curbs, driveways, and other pavement will be replaced.
- Disturbed lawn areas will be seeded after work is completed and as the season permits.
- Ordinary travel routes may be temporarily restricted.
- Water meters inside homes will be replaced and relocated to a buried vault in your yard. If affected, we will require access to your home to remove the old meter.

QUESTIONS?

Specific questions about this project can be directed to:

- Chad Haines, Project Manager, Haines Construction Company Inc., 816-215-2600, chad@hainesassoc.com
- Tevin Griswold, Resident Inspector, KC Water, 816-738-1548, tevin.griswold@kcmo.org
- Nimesha Senanayake, Project Manager, KC Water, 816-513-0460, nimesha.senanayake@kcmo.org

Please save this project sheet for future reference during construction.

Thank you for your patience as we make these important water infrastructure improvements for you and your neighbors.
