KC Water is replacing water mains near property you own or occupy.

Work will occur from approximately February 2021 to May 2021. During this time, your block will be temporarily disrupted by construction work.

More information appears on the other side of this invitation. Attend the meeting to learn more and get answers to your questions.

# WATER MAIN REPLACEMENT

In the Area State Line Road from 51st Street to 55th Street

## WHAT'S HAPPENING?

KC Water covers 320 square miles of Kansas City with an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. Some of that infrastructure is more than a century old.

This project is part of a comprehensive master plan to reduce water main breaks, increase reliability, and enhance fire protection. By keeping the system up to date, Kansas Citians will have improved service now and sustainable water service for generations to come.

## HOW CAN I LEARN MORE?

- Attend the online public meeting. Details on front. Can't make it? A recording will be posted at [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects).
- Point a smartphone camera on the code on this page and open the Projects website. Click on "Water Main Replacement: Upgrades on the Plaza."
- Visit [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects) and click on "Water Main Replacement: Upgrades on the Plaza"
- Contact the Project Manager: Terry Thomas, KC Water, 816-513-0262 or [terry.d.thomas@kcmo.org](mailto:terry.d.thomas@kcmo.org)

## HOW WILL THIS AFFECT ME?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- We will restore any street, curbs, driveways and sidewalks. We will restore lawns in season.
- Water service will be shut off for brief periods. You will get advance notice.

## THANK YOU!

These are important water infrastructure improvements for you, your neighbors, and the City. We are grateful for your patience, cooperation and support as we upgrade Kansas City together.
