

INVESTING IN KC

WATER MAIN REPLACEMENT COMING

**Paseo Blvd. to Elmwood Ave. and
E. 59th Terrace to Gregory Blvd.**

March 2022 to March 2023

WHAT'S HAPPENING IN YOUR NEIGHBORHOOD—HOW TO LEARN MORE

KC Water is replacing nearly 3.6 miles of break prone 6-inch and 8-inch water mains near property you own or occupy at [address].

This new water line is part of a comprehensive plan to reduce water main breaks and improve the reliability of the Kansas City water distribution system, an intricate network of nearly 2,800 miles of pipelines, control valves, storage tanks, pump stations and more.

You are invited to meet the construction project team and get answers to your questions at an online public meeting on Tuesday, March 22. Information about meeting, this project, and how to view a video about the project are on the other side of this card.

Attend Q&A Meeting, Get Answers

Tuesday, March 22, 2022, 6-6:30 p.m.

- Join a live, online conversation and meet the project team.
- Online: www.kcwater.us/projects/current-projects, "Link to Paseo-Elmwood Q&A Meeting."
- Phone: 872-212-5076 (toll), Conference ID: 470 974 80#

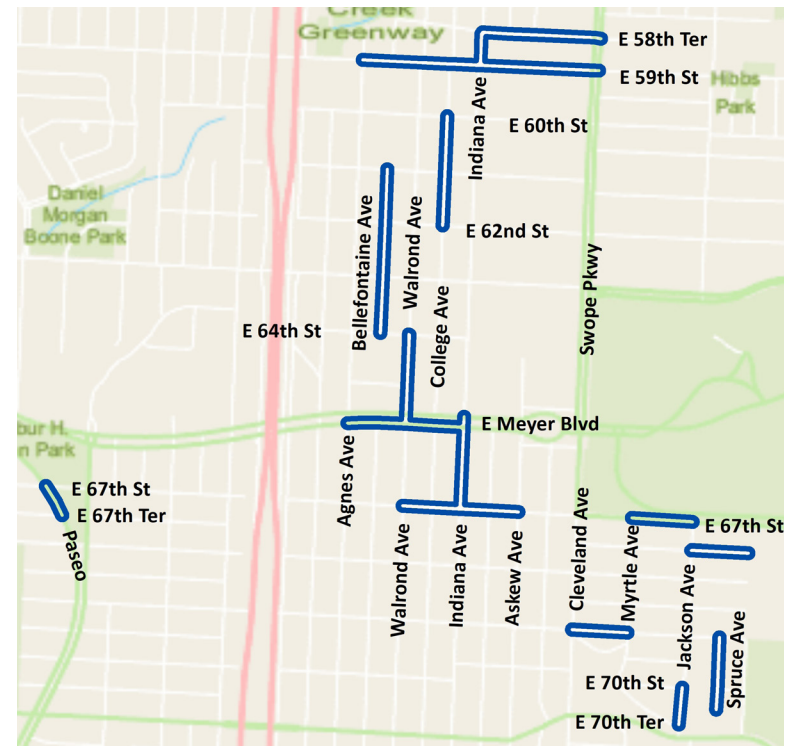

HOW WILL THIS AFFECT ME?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns during planting season.

CONTACT THE PROJECT TEAM DIRECTLY

Before, during, or after your new water main is installed, we're ready to respond. Contact us anytime. We will reply promptly during regular business hours.

- Danny Anderson, Project Manager, Site Rite Construction Co., 816-561-4890 or danny@siterite1.com.
- Johnson Theoplis, KC Water Resident Inspector, 816-237-9037 or Theoplis.Johnson@kcmo.org.
