From: Jeff Martin, P.E., Chief Engineering Officer  
Re: Technical Specification Approval

---

The KC Water Standards Committee meet on 5/3/22 to review and vote on 4 technical specification rules and regulations sections and CAD standards that had been approved by the Technical Advisory Committee. The committee recommends approval for the following sections:

- 2022 Rules and Regulations for Sewer Service Lines
- 2022 Rules and Regulations for Water Main Extensions
- 2022 Rules and Regulations for Water Service Lines
- KC WSD CAD Standards

The KC Water Standards Committee requests your review and recommends approval of the technical specifications listed in this memo.

Approved:  5/11/2022

The signature block includes a DocuSign signature box with the text 'DocuSigned by:' above the signature 'Wes Minder' and a long alphanumeric string 'BB64E8BC2FE1476...' below it. To the right of the signature box is the date '5/11/2022'.
