

INVESTING IN KC

WATER MAIN REPLACEMENT COMING

**In the Area of N. Indiana Avenue
to N. Brookside Road
and N.E. 48th Street to N.E. Barry Road**

October 2022 to October 2023

WHAT'S HAPPENING IN YOUR NEIGHBORHOOD – HOW TO LEARN MORE

KC Water is replacing aging, break-prone cast-iron pipe and polyvinyl chloride water mains with ductile iron pipe near property you own or occupy at [property address auto-inserted at mail house].

This work is part of a comprehensive plan to reduce water main breaks and increase the reliability of Kansas City's 2,800-mile network of water pipelines, control valves, storage tanks and pump stations.

See the other side to learn how to watch a short video summarizing the work planned in your neighborhood and how to meet the project team and ask questions.

WATER MAIN REPLACEMENT

In the Area of N. Indiana Avenue to N. Brookside Road and N.E. 48th Street to N.E. Barry Road

HOW CAN I LEARN MORE ABOUT OUR NEW WATER MAIN?

Watch a Presentation

We have prepared a short video available anytime. Here's how to watch it:

- Scan the QR code below and go to "Link to N. Indiana-N. Brookside Presentation."
- Visit www.kcwater.us/projects/current-projects and go to "Link to N. Indiana-N. Brookside Presentation."

Attend Q&A Session, Get Answers

Tuesday, Oct. 4, 2022, 6-6:30 p.m.

- Join a live, online conversation and meet the project team.
- Online: www.kcwater.us/projects/current-projects "Link to N. Indiana-N. Brookside Water Main Customer Meeting."
- Phone: 872-212-5076 (toll), Conference ID: 283 869 709#

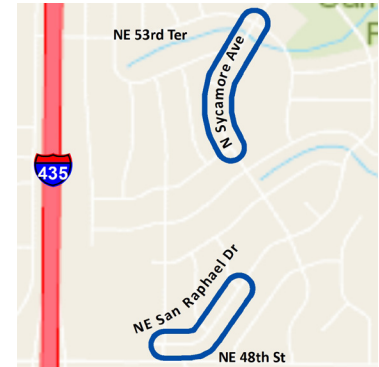

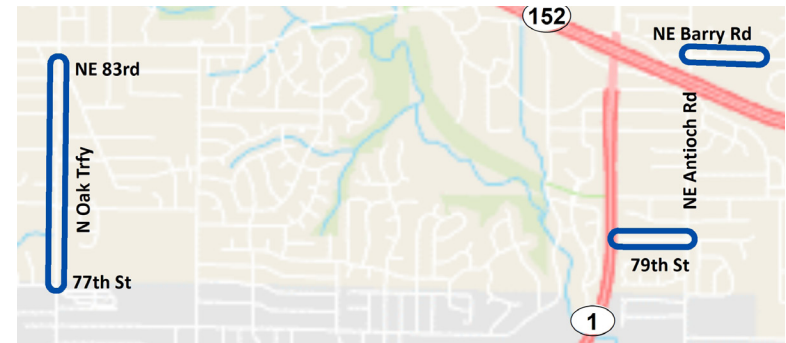

HOW WILL THIS AFFECT ME?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns during planting season.

CONTACT THE PROJECT TEAM DIRECTLY

Before, during, or after your new water main is installed, we're ready to respond. Contact us anytime. We will reply promptly during regular business hours, if not sooner.

- Angie Cumberford, Leath & Sons Inc., 816-353-8623 or angiec@leathandsons.com
- Moses Banks, KC Water Resident Inspector, 816-216-8275 or moses.banks@kcmo.org
- Daniel Luna, KC Water Project Manager, 816-513-7221 or daniel.luna@kcmo.org

THANK YOU!

We intend to improve your water service with as little disruption as possible. We are grateful for your patience, cooperation, and support as we upgrade Kansas City together.
