

# INVESTING IN KC

## WATER MAIN REPLACEMENT COMING

**In the Area of 85th Street to Red Bridge Road  
and Wornall Road to Blue River Road**

**December 2022 to March 2024**

### **WHAT'S HAPPENING IN YOUR NEIGHBORHOOD - HOW TO LEARN MORE**

KC Water is replacing nearly 2.8 miles of break prone water mains along or near Holmes Road from 79th to 85th streets and other streets south of Bannister Road in south Kansas City.

This work is part of a comprehensive plan to reduce water main breaks and increase the reliability of the Kansas City water distribution system, an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks and pump stations.

See the other side for a website link to a video summarizing the work planned in your neighborhood and how to get answers about how the construction will affect you.

# WATER MAIN REPLACEMENT

In the Area of 85th Street to Red Bridge Road and Wornall Road to Blue River Road

## How Can I Learn More About Our New Water Main?

### Watch a Presentation

We have prepared a short video available anytime. Here's how to watch it:

- Scan the QR code below and go to "Link to 85th Street – Red Bridge Road Presentation."
- Visit [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects) and go to "Link to 85th Street – Red Bridge Road Presentation."

### Attend Q&A Session, Get Answers

**Tuesday, Dec. 20, 2022, 6-6:30 p.m.**

- Join a live, online conversation.
- Online: [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects)  
"Link to 85th Street-Red Bridge Road Q&A Meeting."
- Phone: 872-212-5076 (toll),  
Conference ID: 167 196 303#

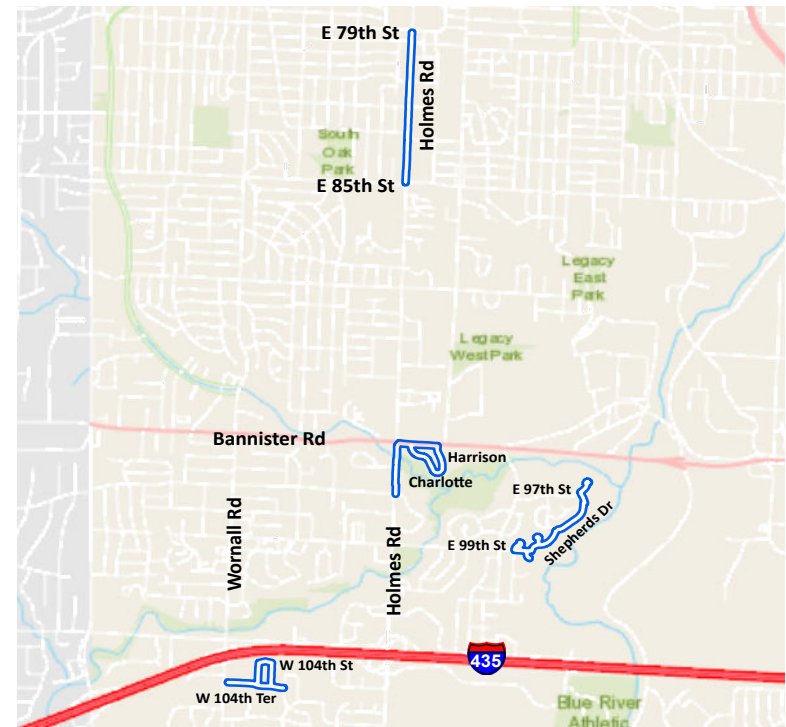

## How Will This Affect Me?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns during planting season.

## Contact the Project Team

Before, during, or after your new water main is installed, we're ready to respond. Contact us anytime. We will reply promptly during regular business hours.

- Heather Smith, Infrastructure Solutions, 913-999-7899 or [hsmith@i-solutionsllc.com](mailto:hsmith@i-solutionsllc.com)
- Patrick Lewis, KC Water Resident Inspector, 816-213-1443 or [Patrick.Lewis@kcmo.org](mailto:Patrick.Lewis@kcmo.org)
- Reza Zonnooz, KC Water Project Manager, 816-513-0309 or [reza.zonnooz@kcmo.org](mailto:reza.zonnooz@kcmo.org)

## THANK YOU!

We intend to improve your water service with as little disruption as possible. We are grateful for your patience, cooperation, and support as we upgrade Kansas City's water infrastructure together.
