

# INVESTING IN KC

## WATER MAIN REPLACEMENT COMING

**In the Area of Broadway Boulevard  
from 31st Street to 39th Street**

**May 2023 to February 2024**

---

### WHAT'S HAPPENING IN YOUR NEIGHBORHOOD - HOW TO LEARN MORE

KC Water is replacing or extending nearly 2 miles of water mains near property you own or occupy.

You are invited to attend a public meeting and meet the project team, see a presentation about the work to be done, view plans of the work near your property, and get answers to questions. Meeting details are below.

Some water mains being replaced are more than a century old. This project is part of a comprehensive program to improve service now and provide sustainable water service for generations to come.

View Project Information

- Visit [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects), and go to "Water Main Replacement: Broadway Boulevard from 31st Street to 39th Street"
- Scan the QR code then the link "Water Main Replacement: Broadway Boulevard from 31st Street to 39th Street"

## How Will This Affect Me?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns during planting season.

## Contact the Project Team

Before, during, or after your new water main is installed, we're ready to respond. Contact us anytime. We will reply promptly during regular business hours.
