

INVESTING IN KC

WATER MAIN REPLACEMENT COMING

**In the Area of Northeast
Neighborhoods and N Agnes-
NE 53rd St.**

May 2023 to May 2024

WHAT'S HAPPENING IN YOUR NEIGHBORHOOD - HOW TO LEARN MORE

KC Water is replacing about 1.5 miles of water mains on several streets in Northeast neighborhoods and two streets in the Northland, including at or near property you own or occupy at [property address].

Project information is included here. Learn more in a video you can view on the KC Water website, and meet the project team in a live, online question-and-answer session.

Kansas City's water system is an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. This initiative in your neighborhood is part of a comprehensive program to improve water service now and provide sustainable water service for generations to come.

WATER MAIN REPLACEMENT

In the Area of Northeast Neighborhoods and N Agnes-NE 53rd St.

How Can I Learn More About Our New Water Main?

Join Online Q&A Session with the Project Team

Tuesday, May 23, 2023, 6-6:30 p.m

- Use link or phone number at www.kcwater.us/projects/current-projects under "Water Main Replacement: Northeast Neighborhoods and N Agnes-NE 53rd St."

View Project Information

- Scan the QR code or visit www.kcwater.us/projects/current-projects and go to "Water Main Replacement: Northeast Neighborhoods and N Agnes-NE 53rd St."

Get E-mail Updates

- Send an e-mail to water.projects@kcmo.org with the subject line, "Project Updates – Northeast – N. Agnes." We will add your e-mail address to receive periodic updates.

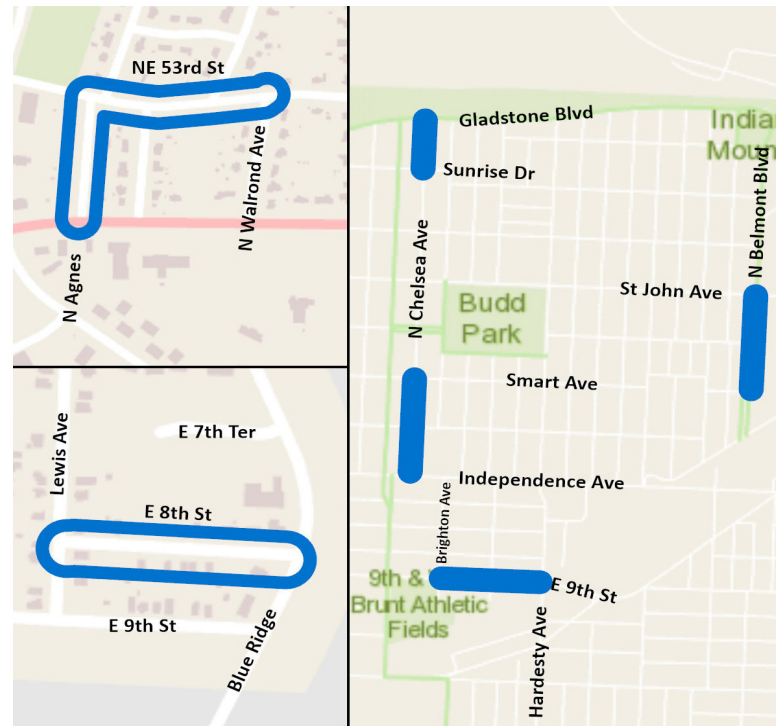

How Will This Affect Me?

- Traffic lanes may be temporarily closed, but you will always have access to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns during planting season.

Contact the Project Team

Before, during, or after your new water main is installed, we're ready to respond. Contact us anytime. We will reply promptly during regular business hours.

- Greg Maupin, Superintendent, Leath & Sons Inc, 816-507-8580 or gregm@leathandsons.com
- Carlos Brown, Resident Inspector, KC Water 816-310-7985 or carlos.brown@kcmo.org
- Russ Strom-Olsen, Project Manager, KC Water 816-513-0434 or russell.strom-Olsen@kcmo.org

THANK YOU!

We intend to improve your water service with as little disruption as possible. We are grateful for your patience, cooperation, and support as we upgrade Kansas City's water infrastructure together.
