## WATER MAIN REPLACEMENT COMING

**1st Street/Guinotte Avenue  
from Campbell Street  
to I-35/I-29**

**September 2023 to June 2024**

### WHAT'S HAPPENING IN YOUR NEIGHBORHOOD - HOW TO LEARN MORE

KC Water is replacing about one-half mile of break-prone or obsolete water mains along 1st Street/Guinotte Avenue from Campbell Street to I-35/I-29, including at or near property you own or occupy at [property address].

Project information is included here. Learn more about KC Water's water main replacement program in a video you can view on the KC Water website.

Kansas City's water system is an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. This initiative is part of a comprehensive program to improve water service now and provide sustainable water service for generations to come.
