

INVESTING IN KC

WATER MAIN REPLACEMENT COMING

**In the Area of State Line Road
to Wornall Road, W. 84th
Street to Ward Parkway**

October 2023 to January 2025

WHAT'S HAPPENING IN YOUR NEIGHBORHOOD - HOW TO LEARN MORE

KC Water is replacing about 1.9 miles of break-prone water mains in the Western Hills Homes Association area, including at or near property you own or occupy at [property address].

Learn more in a video you can view on the KC Water website. You also are invited to meet the project team in a live, online question-and-answer session. See reverse side for details.

Kansas City's water system is an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. This initiative in the Western Hills neighborhood is part of a comprehensive program to improve water service now and provide sustainable water service for generations to come.

How Can I Learn More About Our New Water Main?

Join Online Q&A Session with the Project Team

Tuesday, Oct. 24, 2023, 6-6:30 p.m.

- Visit www.kcwater.us/projects/current-projects, and go to "Water Main Replacement: State Line Road to Wornall Road, W. 84th Street to Ward Parkway."

How Will This Affect Me?

- Traffic lanes may be temporarily closed, but you will always have access to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns during planting season.

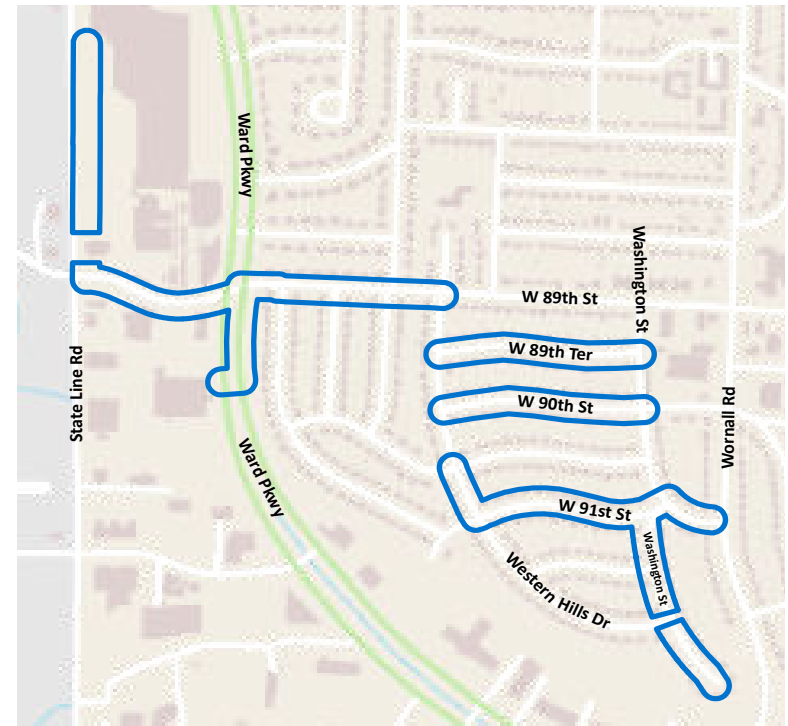

View Project Information, Get Email Updates
