How Can I Learn More About Our New Water Main?

- Attend the public meeting at Brush Creek Community Center on Nov. 13. Details on front.

- Send an e-mail to water.projects@kcmo.org with the subject line, "Project Updates – Prospect Avenue." We will add your e-mail address to a list for periodic updates.

How Will This Affect Me?

- Traffic lanes may be temporarily closed, but you will always have access to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.
- We will restore any street, curbs, driveways and sidewalks. We will restore lawns during planting season.
