

INVESTING IN KC

WATER MAIN REPLACEMENT COMING

Along Blue Ridge Blvd. from Holmes Road to Prospect Ave.

March 2024 to January 2026

What's Happening in Your Neighborhood; How to Learn More

KC Water is replacing about 1.3 miles of break-prone water mains in south Kansas City.

Learn more in a video you can view on the KC Water website. You also are invited to meet the project team in a live, online question-and-answer session.

Kansas City's water system is an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. This initiative in the Western Hills neighborhood is part of a comprehensive program to improve water service now and provide sustainable water service for generations to come.

WATER MAIN REPLACEMENT

Along Blue Bridge Blvd. from Holmes Road to Prospect Ave.

Join Online Q&A Session with the Project Team

Wednesday,
Feb. 21, 2024,
6:00-6:30 p.m.

Visit www.kcwater.us/projects/current-projects and use the link or the phone number under "Water Main Replacement: Along Blue Bridge Blvd. from Holmes Road to Prospect Ave."

View Project Information, Get Email Updates

- Scan the QR code or visit www.kcwater.us/projects/current-projects and the link "Along Blue Bridge Blvd. from Holmes Road to Prospect Ave."
- Sign up for periodic email updates. Send an e-mail to water.projects@kcmo.org with the subject line, "Project Updates – Blue Ridge Blvd." We will add your e-mail address to a list for periodic updates.

Contact the Project Team Directly

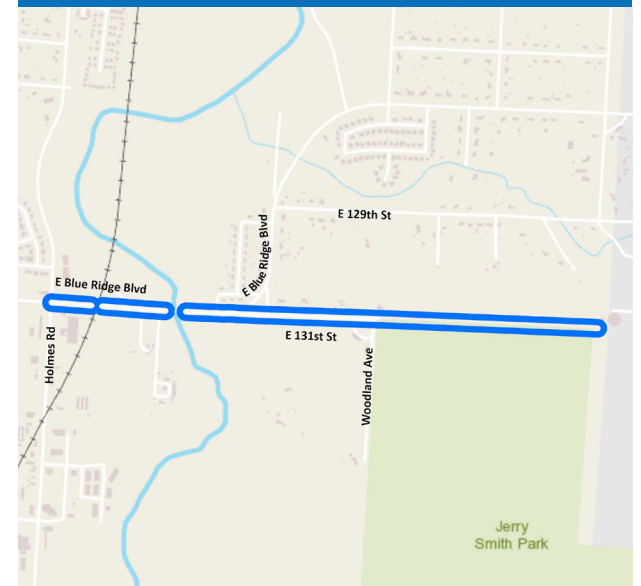

Before, during or after this project, contact us anytime. We will reply promptly during business hours.

- Mike Akins, Project Manager, SheDigs It LLC, 816-969-9443 or mike@shedigsit.com
- Jay Michaelis, Resident Agent, KC Water, 816-513-0394 or jay.michaelis@kcmo.org
- Davis McDonald-Maclin, Project Manager, KC Water, 816-513-0171 or davis.mcdonald@kcmo.org

How Will This Affect Me?

- Traffic lanes may be temporarily closed, but you will always have access to your property.
- Large equipment will create noise and dust, which will be controlled.
- Water service will be shut for brief periods. You will get advance notice.
- If your residence water meter is inside, we will move it outside.
- We will restore the street, curbs, driveways and sidewalks. We will restore lawns in season.

Map of the Area

THANK YOU! We intend to improve your water service with as little disruption as possible. We are grateful for your patience, cooperation, and support as we upgrade Kansas City together.
