# YOUR INVESTMENTS AT WORK

## WATER TRANSMISSION MAIN EXTENSIONS

Englewood Boulevard, NW Waukomis Drive to NW 55th Terrace

### WHAT

- Important infrastructure work will be performed in your neighborhood.
- Project constructs approximately 6,000 feet of water transmission mains.
- Main extensions to be coordinated with the Public Works Englewood Blvd. complete street upgrades.

### WHY

- The new water mains will increase water supply to enable future development and growth in the Northland.
- Project replaces aging, break-prone water mains.

### WHEN

- Weather permitting, work will begin March 2018 and conclude by June 2020.

### WHO

- KC Water and Public Works in partnership with VF Anderson Builders, LLC

### WHERE

- Main water construction along Englewood Boulevard from NW Waukomis Drive to NW 55th Terrace and at intersecting streets

### IMPROVEMENTS

- Increased system reliability
- Increased water supply capacity for the Northland

### WHAT TO EXPECT

- Large equipment will be used, creating noise and dusty conditions, which will be controlled.
- Temporary disruptions in water service during branch main connections or service transfers. Advance notice to be provided.
- Ordinary travel routes may be temporarily restricted.
- Curbs, driveways, and streets affected by construction will be replaced.
- Lawn areas will be restored when the work is complete.
