When: Wednesday, October 9, 2019
6:00 p.m.

Where: Brush Creek Community Center
3801 Brush Creek Boulevard
Kansas City, MO 64130

— Project Work

October 2019 to April 2020

YOUR INVESTMENTS AT WORK

WATER MAIN REPLACEMENT

In the Area of Askew Avenue to Belmeade Road and E. 33rd Street to E. 53rd Street

WHO

- KC Water in partnership with Leath & Sons Inc.

WHAT

- Important infrastructure work will be performed in your neighborhood.
- Water mains will be replaced and realigned throughout the project.
- Indoor water meters will be replaced and relocated outside homes.

WHEN

- Weather permitting, work will begin in October 2019 and conclude approximately April 2020.

WHY

- KC Water is undertaking this project to improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

IMPROVEMENTS

- Fewer anticipated water main breaks
- Increased reliability
- Fewer service disruptions
- Enhanced neighborhood fire protection

WHERE

- Jackson Avenue from East 33rd Street to E. 35th Street
- Brighton Avenue from East 35th Street to Chelsea Drive
- Norton Avenue from East 36th Street to East 37th Street
- Norton Avenue from East 39th Street to the end an existing main south
- Kensington Avenue from East 43rd Street to East 45th Street
- Askew Avenue from East 45th Street to East 45 Terrace
- East 52nd Street and Quincy Avenue from Blue Banks Avenue to East 53rd Street
- Oakley Avenue from Blue Parkway to an existing main south
- Belmeade Road to Glenside Drive on the north and south ends

WHAT TO EXPECT

- Large equipment will be used, creating noise and dusty conditions, which will be controlled.
- Water and service will be interrupted for brief periods of time. You will be notified beforehand with door hangers or by other means.
- Affected curbs, driveways, and other pavement will be replaced.
- Disturbed lawn areas will be seeded after work is completed and as the season permits.
- Ordinary travel routes may be temporarily

restricted.

- Water meters inside homes will be replaced and relocated to a buried vault in your yard. If affected, we will require access to your home to remove the old meter.
