

INVESTING IN KC

WATER MAIN REPLACEMENT

In the Area of Monroe Avenue to Hardesty Avenue, E. 43rd Street to E. 47th Street

Replacing approximately 4,800 feet of aging cast iron pipe 6-inch water mains with 4,800 feet of 8-inch ductile iron pipe water mains.

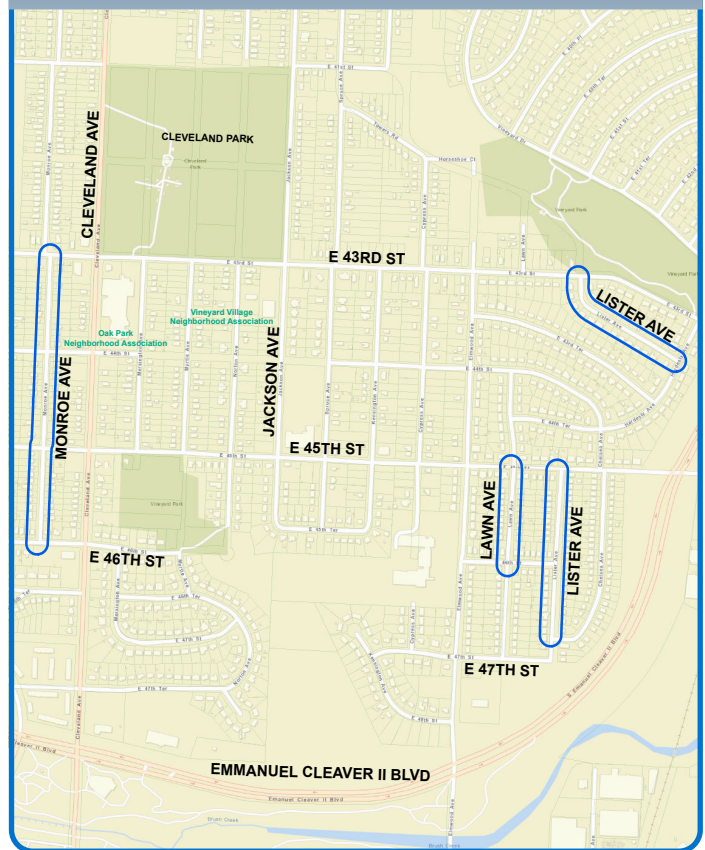

PUBLIC MEETING

What: Water Main Replacement

When: Tuesday, December 3, 2019
6:00 p.m.

Where: Brush Creek Community Center
3801 Emanuel Cleaver II Blvd.
Kansas City, MO 64130

PROJECT AREA

Please save this project sheet for future reference during construction.

Thank you for your patience as we make these important water infrastructure improvements for you and your neighbors.

December 2019 to May 2020

YOUR INVESTMENTS AT WORK

WATER MAIN REPLACEMENT

In the Area of Monroe Avenue to Hardesty Avenue, E. 43rd Street to E. 47th Street

WHO

- KC Water in partnership with Rodriguez Mechanical Contractors Inc.

WHAT

- Important infrastructure work will be performed in your neighborhood.
- Water mains will be replaced and realigned throughout the project.
- Indoor water meters will be replaced and relocated outside homes.

WHEN

- Weather permitting, work will begin December 2019, and conclude in approximately May 2020.

WHY

- KC Water is undertaking this project to improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

IMPROVEMENTS

- Fewer anticipated water main breaks
- Increased reliability
- Fewer service disruptions
- Enhanced neighborhood fire protection

WHERE

- Monroe Ave from E. 43rd Street to E. 47th Street
- Lawn Avenue from E. 45th Street to E. 46th Street
- Lister Avenue from 45th Street to Chelsea Avenue
- Lister Avenue from E. 43rd Street to Hardesty Avenue

WHAT TO EXPECT

- Large equipment will be used, creating noise and dusty conditions, which will be controlled.
- Water and service will be interrupted for short periods of time. You will be notified beforehand with door hangers or by other means.
- Affected curbs, driveways, and other pavement will be replaced.
- Disturbed lawn areas will be seeded after work is completed and as the season permits.
- Ordinary travel routes may be temporarily restricted.
- Water meters inside homes will be replaced and relocated to a buried vault in your yard. If affected, we will require access to your home to remove the old meter.
