WHO
• KC Water in partnership with Blue Nile Contractors Inc.

WHAT
• Important infrastructure work will be performed in your neighborhood.
• Water mains will be replaced and realigned throughout the project.
• Indoor water meters will be replaced and relocated outside homes.

WHEN
• Weather permitting, work will begin in April 2020 and conclude approximately September 2020.

WHY
• KC Water is undertaking this project to improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

IMPROVEMENTS
• Fewer anticipated water main breaks
• Increased reliability
• Fewer service disruptions
• Enhanced neighborhood fire protection

WHERE
• Chelsea Avenue from Blue Parkway north to end of pavement
• E. 52nd Street from Jackson Avenue to Franklin Avenue
• Spruce Avenue from E. 52nd Street to E. 53rd Street
• Franklin Avenue from Elmwood Avenue to E. 52nd Street
• Manchester Terrace from E. 59th Street to Manchester Trafficway

WHAT TO EXPECT
• Large equipment will be used, creating noise and dusty conditions, which will be controlled.
• Water and service will be interrupted for short periods of time. You will be notified beforehand with door hangers or by other means.
• Affected curbs, driveways, and other pavement will be replaced.
• Disturbed lawn areas will be seeded after work is completed and as the season permits.
• Ordinary travel routes may be temporarily restricted.
• Water meters inside homes will be replaced and relocated to a buried vault in your yard. If affected, we will require access to your home to remove the old meter.
