**When:** Monday, March 16, 2020  
6:00 p.m.

**Where:** Brush Creek Community Center  
3801 Emanuel Cleaver II Blvd.  
Kansas City, MO 64130

### PROJECT AREA

— Project Work

**April 2020 to November 2020**

# YOUR INVESTMENTS AT WORK

## WATER MAIN REPLACEMENT

Norton Avenue to Quincy Avenue, E. 52nd Street to E. 55th Street

### WHO

- KC Water in partnership with Hettinger Excavating LLC

### WHAT

- Important infrastructure work will be performed in your neighborhood.
- Water mains will be replaced and realigned throughout the project.
- Indoor water meters will be replaced and relocated outside homes.

### WHEN

- Weather permitting, work will begin in April 2020 and conclude approximately November 2020.

### WHY

- KC Water is undertaking this project to improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

### IMPROVEMENTS

- Fewer anticipated water main breaks
- Increased reliability
- Fewer service disruptions
- Enhanced neighborhood fire protection

### WHERE

- Norton Avenue from E. 53rd Street to E. 55th Street
- E. 55th Street from Myrtle Avenue to Norton Avenue
- Jackson Avenue from E. 52nd Street to E. 53rd Street
- Cypress Avenue from Elmwood Avenue to E. 53rd Street
- Elmwood Avenue from Franklin Avenue to Lister Avenue
- Lister Avenue from E. 51st Terrace to Elmwood Avenue and extending another 283 feet from Elmwood Avenue to E. 53rd Street to eliminate a dead-end and establish a loop in the distribution system.
- E. 51st Terrace, from Lister Avenue to end of cul-de-sac

### WHAT TO EXPECT

- Large equipment will be used, creating noise and dusty conditions, which will be controlled.
- Water and service will be interrupted for short periods of time. You will be notified beforehand with door hangers or by other means.
- Affected curbs, driveways, and other pavement will be replaced.
- Disturbed lawn areas will be seeded after work is completed and as the season permits.
- Ordinary travel routes may be temporarily restricted.

- Water meters inside homes will be replaced and relocated to a buried vault in your yard. If affected, we will require access to your home to remove the old meter.
