INVESTING in KC

WATER MAIN REPLACEMENT

In the Area of Burning Tree Drive to W. 139th Street and Saint Andrews Drive to Wornall Road

Replacing approximately 7,277 feet of break-prone 2-inch, 6-inch, 8-inch, and 12-inch cast iron pipe water mains with more durable ductile iron pipe in the area of Burning Tree Drive to W. 139th Street and Saint Andrews Drive to Wornall Road

PUBLIC MEETING

What: Water Main Replacement

When: Tuesday, October 13, 2020
6:00 p.m.

Conference ID: 942 114 268#

October 2020 to June 2021
WHO
• KC Water in partnership with Blue Nile Contractors Inc.

WHAT
• Important infrastructure work will be performed in your neighborhood.
• Water mains will be replaced and realigned throughout the project.

WHEN
• Weather permitting, work will begin in October 2020 and conclude approximately June 2021.

WHY
• KC Water is undertaking this project to improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

IMPROVEMENTS
• Fewer anticipated water main breaks
• Increased reliability
• Fewer service disruptions
• Enhanced neighborhood fire protection

WHERE
• Along Oakmont Drive, connecting to water mains in Saint Andrews Drive and continuing west along Oakmont Drive and ending in a cul-de-sac.
• Along Wyandotte Street from W. 135th Street to W. 139th Street.
• Along W. 139th Street from Wyandotte Street east to the end of the street.

WHAT TO EXPECT
• Large equipment will be used, creating noise and dusty conditions, which will be controlled.
• Water and service will be interrupted for short periods of time. You will be notified beforehand with door hangers or by other means.
• Affected curbs, driveways, and other pavement will be replaced.
• Disturbed lawn areas will be seeded after work is completed and as the season permits.
• Ordinary travel routes may be temporarily restricted.
• Water meters inside homes will be replaced and relocated to a buried vault in your yard. If affected, we will require access to your home to remove the old meter.

QUESTIONS?
Specific questions about this project can be directed to:
• Frank Applegate, Superintendent, Blue Nile Contractors Inc., 816-379-9962, frank@bluenilecontractors.com
• Sean Allen, Resident Inspector, KC Water, 816-513-0318, sean.allen@kcmo.org
• Kelly Finn, Project Manager, KC Water, 816-513-0351, kelly.finn@kcmo.org

Please save this project sheet for future reference during construction.
Thank you for your patience as we make these important water infrastructure improvements for you and your neighbors.
