

INVESTING IN KC

WATER MAIN REPLACEMENT COMING

In the Area of Jefferson Street to Mill Creek Parkway, 46th Street to Ward Parkway

MAY 2021 – MARCH 2022

Please Attend the Public Meeting

Meet the project manager and contractor.
Hear details of improvements.
Get answers to your questions.

Tuesday, April. 6, 2021 | 6:00 p.m.

Meeting Link: www.kcwater.us/projects/current-projects

Phone 1-323-694-9658 Passcode: 321883163#

KC Water is replacing water mains near property you own or occupy.

Work will occur from approximately May 2021 to March 2022. During this time, streets will be temporarily disrupted by construction work.

More information appears on the other side of this invitation. Attend the meeting to learn more and get answers to your questions.

KC Water
Terry Thomas, Project Manager
4800 E. 63rd St.
Kansas City, MO 64130

WATER MAIN REPLACEMENT

In the Area of Jefferson Street to Mill Creek Parkway, 46th Street to Ward Parkway

WHAT'S HAPPENING?

KC Water covers 320 square miles of Kansas City with an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. Some of that infrastructure is more than a century old.

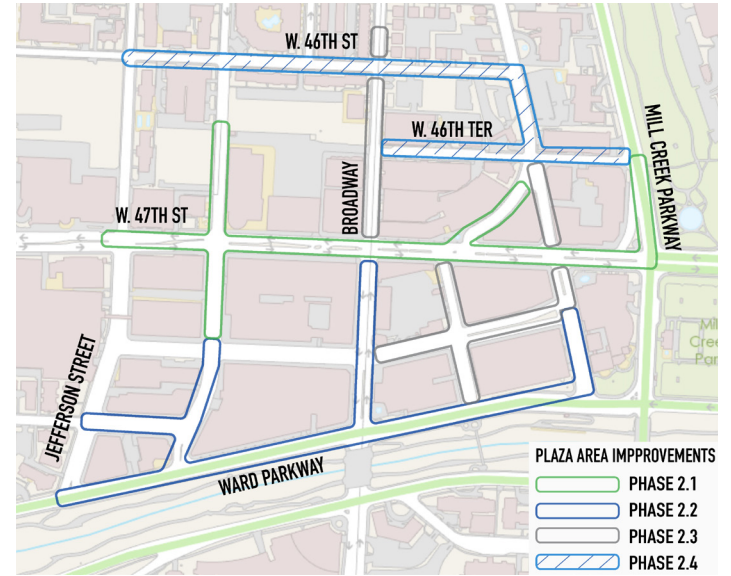

This project is part of a comprehensive master plan to reduce water main breaks, increase reliability, and enhance fire protection. By keeping the system up to date, Kansas Citians will have improved service now and sustainable water service for generations to come.

HOW CAN I LEARN MORE?

- Attend the online public meeting. Details on front. Can't make it? A recording will be posted at www.kcwater.us/projects/current-projects.
- Point a smartphone camera on the code on this page and open the Projects website. Click on "Water Main Replacement: Upgrades on the Plaza."
- Visit www.kcwater.us/projects/current-projects and click on "Water Main Replacement: Upgrades on the Plaza"
- Sign up to receive a weekly construction update at www.kcwater.us/projects/upgrades-on-the-plaza.
- Send an email to water.upgradesontheplaza@kcmo.org or call 816-206-1318. A response will be sent during normal business hours.

HOW WILL THIS AFFECT ME?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- We will restore any street, curbs, driveways and sidewalks. We will restore lawns in season.
- Water service will be shut off for brief periods. You will get advance notice.

THANK YOU!

These are important water infrastructure improvements for you, your neighbors, and the City. We are grateful for your patience, cooperation and support as we upgrade Kansas City together.
