

# INVESTING IN KC

## WATER MAIN REPLACEMENT COMING

In the Area of West City Limits to Wornall Road, W. 85th to W. 93rd Streets, and 1 to 143 W. Bannister Road

**June 2021 to July 2022**

### **Please Attend the Public Meeting**

Meet KC Water's project team. Click on West City Limits-Wornall Road link on the below web page.

**Monday, May 24, 2021 | 6:00 p.m.**

**[www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects)**

**Phone 872-212-5076 (toll)**

**Conference ID: 780 653 173#**

KC Water is replacing 4-inch, 6-inch, 8-inch, and 12-inch water mains near property you own or occupy at [property address].

This project will improve distribution system reliability, increase hydraulic conveyance capacity, and support fire protection.

Commercial property owners and managers are encouraged to invite their office or retail tenants to attend this online meeting.

# WATER MAIN REPLACEMENT

In the Area of West City Limits to Wornall Road, W. 85th to W. 93rd Streets, and 1 to 143 W. Bannister Road

## WHAT'S HAPPENING?

KC Water covers 319 square miles of Kansas City with an intricate network of nearly 2,800 miles of water pipelines, control valves, storage tanks, pump stations, and more. Some of that infrastructure is more than a century old.

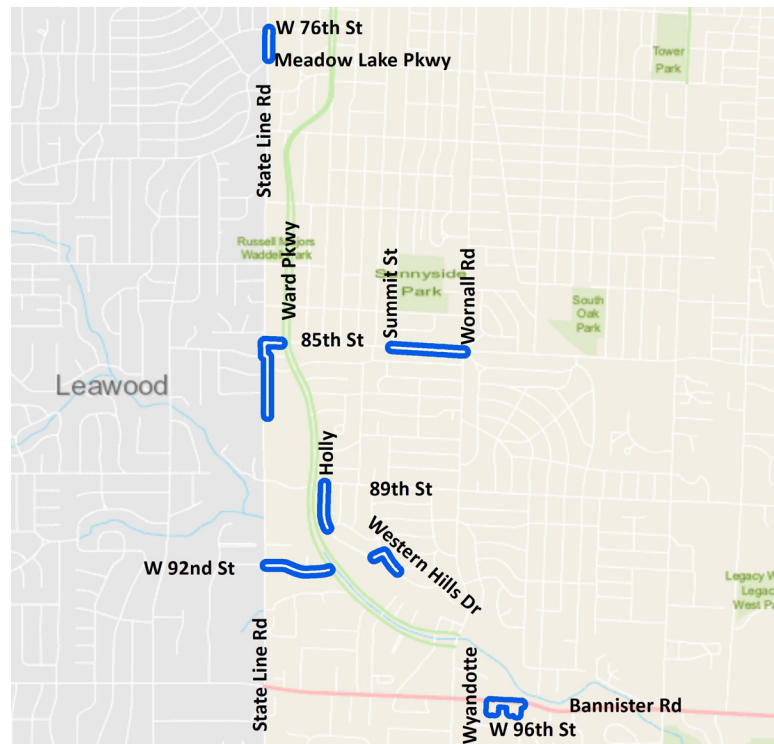

This project is part of a comprehensive master plan to reduce water main breaks, increase reliability, and enhance fire protection. By keeping the system up to date, Kansas Citians will have improved service now and sustainable water service for generations to come.

## HOW WILL THIS AFFECT ME?

- Streets or traffic lanes may be temporarily closed, but you will always be able to drive to your property.
- Large equipment will create noise and dust, which will be controlled.
- We will restore any street, curbs, driveways and sidewalks. We will restore lawns during planting season.
- Water service will be shut off for brief periods. You will get advance notice.
- If your water meter is inside, we will move it outside.

## HOW CAN I LEARN MORE?

- Attend the online public meeting. Details on front. Can't make it? A recording will be posted at [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects).
- Visit [www.kcwater.us/projects/current-projects](http://www.kcwater.us/projects/current-projects) and click on the West City Limits to Wornall Road project link.
- Contact John Wright, Pyramid Excavation, 816-765-4464 or [john@pyramidexcavation.com](mailto:john@pyramidexcavation.com)
- Contact Gregg Gillaspie, KC Water Resident Inspector, 816-513-0398 or [gregg.gillaspie@kcmo.org](mailto:gregg.gillaspie@kcmo.org)
- Contact Kelly Finn, KC Water Project Manager, 816-513-0351 or [Kelly.Finn@kcmo.org](mailto:Kelly.Finn@kcmo.org)

## THANK YOU!

These are important water infrastructure improvements for you, your neighbors, and the City. We are grateful for your patience, cooperation and support as we upgrade Kansas City together.
